To

Sir,

GAB. 20 33-55

PGK / Adverting to Government Order No.L.10891-3/I.T.B.13-54-68 dated 8-12-54 permitting me to draw a Conveyance Allowance of Rs.125/-, I write to state that at the time I made my previous reference for the grant of the Conveyance Allowance of Rs.125/- from the date I assumed charge of the Office of the Chairman, City Improvement Trust Board. I had no idea of the ~~ax~~ distances of daily inspection trips at or within a long distance from the Head Quarters. From my experience of the past two months I find that I have to move about a long distance every day on inspection duty all-round within and beyond the Corporation limits for - - which no Travelling Allowance will be admissible under the rules for "Journey or Tour". I append herewith a list showing the various works and layouts in progress with the distances involved in each case for favour of perusal.

2. In this connection I wish to mention that in the case of the Commissioner and the Engineer of the Bangalore Corporation whose jurisdiction of duty does not extend beyond the - - Corporation limits, the former is provided with free conveyance and the latter gets a conveyance allowance of Rs.175/- per mensem.

3. Considering the volume and distances involved in daily trips, I feel that the conveyance allowance of Rs.125/- now sanctioned to me is not adequate to meet the actual expenses.

4. I request you therefore to kindly obtain and communicate sanction of Government for the grant of a conveyance allowance of Rs.200/- per mensem to me from the date I took charge of the Trust Board.

Yours faithfully,
D.R. Chennarudraiya
